

ARCHBISHOP RUMMEL HIGH SCHOOL
TOUCHING HEARTS • TEACHING MINDS • CULTIVATING LEADERS

MISSION STATEMENT

Archbishop Rummel High School educates each student according to the principles of the Catholic Church in the Lasallian tradition of faith, community, and service. In a caring, disciplined environment of social awareness and academic excellence, Archbishop Rummel High School challenges each student to recognize the dignity of life and to develop and share, to the best of his ability, his unique talents.

For over fifty years, Archbishop Rummel High School has educated young men in the Lasallian tradition of faith, community, and service, helping them to develop their unique talents to the best of their abilities.

ARHS is an Archdiocesan-Lasallian Catholic school, staffed by lay men and women, for young men in grades 8 – 12. ARHS educates young men of varied backgrounds and abilities while developing the intellectual, physical, social, moral, and spiritual well-being of each individual, challenging him to be a living witness to Catholic values in the world today.

Archbishop Rummel does not discriminate on the basis of race, color, national or etŪic origin in the administration of its educational policies.

When I first entered the halls of Archbishop Rummel High School as a young man in 1986, I had no idea I would be returning to the same halls almost thirty years later as the school's principal and president. This year, as I enter my fifth year as an administrator at Archbishop Rummel High School, I continue to be awestruck at the evolution that I see our young men experience during their tenure at our school, as well as the evolution of our school itself.

Our motto, "Touching Hearts, Teaching Minds, and Cultivating Leaders," describes the philosophy of all our educators and administrators. We encourage each young man to pursue his unique talents and set a standard of academic excellence that prepares them to become tomorrow's leaders.

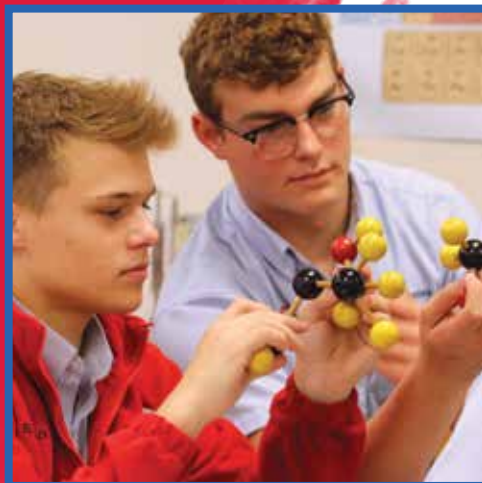

Educating young men, grades eight through twelve, in the Lasallian faith for over fifty years, we have established ourselves as a strong educational institution with a record of alumni who are involved in every respectable profession imaginable. We are most proud of these alumni and our students who approach their lives following the Lasallian traditions and morals established for them at Archbishop Rummel High School.

I encourage you to come see our new campus renovations and to experience what it means to be a part of our Raider Family. I am a Rummel Raider. My son is a Rummel Raider. Like the third stanza of our Fight Song says, "We are the pride of the Southland. We're here to stay. Raiders, the champions, boldly show the way!"

DUAL ENROLLMENT

In cooperation with Southeastern Louisiana University and the University of New Orleans, Archbishop Rummel High School students complete college-level courses. These courses are taught by Archbishop Rummel High School teachers on the Archbishop Rummel High School campus, in partnership with Southeastern Louisiana University.

The students earn both high school and college credit that goes on the Archbishop Rummel High School transcript and on a college transcript. The credit is transferrable to all public universities and colleges in the state of Louisiana and to many other colleges including private universities in Louisiana and colleges outside the state. The college credit counts towards the student's eventual college grade point average.

CAMPUS MINISTRY

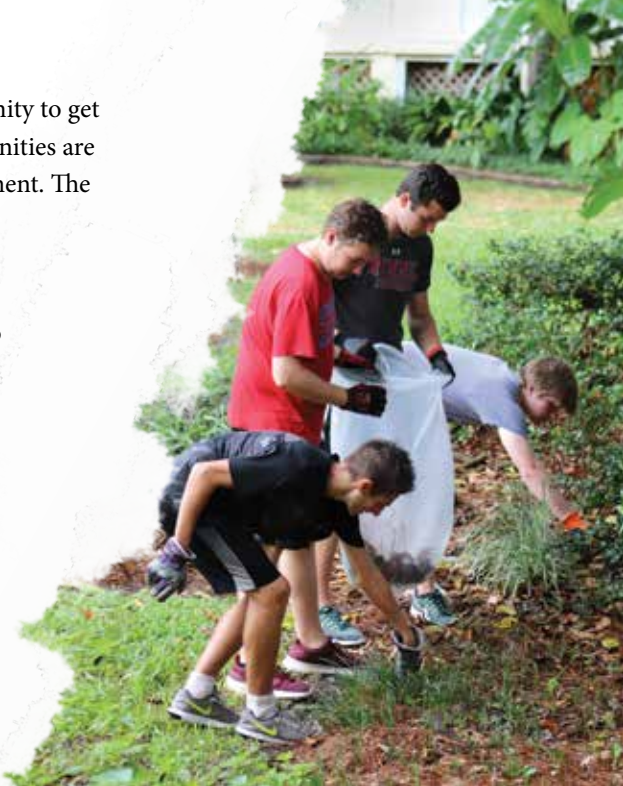

DID YOU KNOW?
Mass is offered four days a week by Raider Alumni Father Kurt Young '05 and Father Andrew Gutierrez '11

The Campus Ministry Program at Archbishop Rummel High School seeks to present to students the beauty of the plan that God has for their lives and to challenge students to live up to the demands of the Gospel. Inspired by Saint John Baptist de La Salle, all student actions are permeated by the Holy Presence of God. Awareness of God's constant presence emboldens one to live out his faith in all that he does. The constant presence of Christ in His Sacraments strengthens students as they seek to follow the narrow way. Knowing he possesses the Truth, he is able to follow the example of Archbishop Joseph Francis Rummel and enter into the world and profess the Gospel without fear or reservation.

Each school year students participate in a grade level retreat where they have the opportunity to get away and take stock of their faith and their progress in the spiritual life. Various opportunities are available both on and off campus for those who wish to invest in their spiritual development. The retreat program culminates with an overnight retreat experience during senior year.

The service program at Archbishop Rummel High School is rooted in the Lasallian charisms of faith, community, and service. Service flows from our faith in the Living God as our response to Christ's answer of the greatest commandment, "You shall love the Lord your God with all your heart, and with all your soul, and with all your mind. This is the great and first commandment. And a second is like it, You shall love your neighbor as yourself" (Matthew 22:37-39). Service is accomplished to memorialize Archbishop Joseph Francis Rummel's Episcopal motto "Animam pro ovibus ponere" - "To give one's life for the sheep."

SERVICE HOUR REQUIREMENTS FOR THE 2019-2020 SCHOOL YEAR ARE AS FOLLOWS:

- 12th Grade - 25 Hours
- 11th Grade - 40 Hours
- 10th Grade - 25 Hours
- 9th Grade - 20 Hours
- 8th Grade - 20 Hours
