RE: Senior Pictures @ Loupe Photography

According to Loupe Photography, the following seniors have not yet taken senior pictures OR made an appointment for senior pictures. The school wants to have all seniors pictured in the 2008 *Raider* yearbook, but it is imperative that these seniors take care of these pictures immediately.

The yearbook staff is working under a tight deadline, so the time is quickly drawing near when the senior section must be sent to the publisher. The absolute final deadline is **Monday, February 11** when the school returns from Mardi Gras holidays. Seniors not photographed by that date will be omitted from the yearbook and the class composite than hangs in the school.

PLEASE call Loupe Photography today @ 835-7100 and make an appointment.
