***PARENT OR GUARDIAN PERMISSION***

As the parent or guardian of this student, I have read the Personal Laptop Usage Policy and discussed it with my son. I understand that this access is a privilege designed for educational purposes. I understand that the laptop should not be used for entertainment purposes while my son is on campus. I know that Archbishop Rummel High School uses the Archdiocese of New Orleans as its internet provider and that filters are in place which attempt to prevent access to inappropriate websites. However, I recognize that it is impossible for any school to monitor access to all inappropriate materials particularly on a personal laptop, and I will not hold the school responsible for materials accessed, accidentally or otherwise. I hereby give permission for my son to use a personal laptop to access the allowed areas of the Archbishop Rummel High School network and its resources.
