**TO:** Current 8<sup>th</sup> graders  
at Archbishop Rummel High School

**FR:** Joseph A. Serio  
Director of Admissions  
Archbishop Rummel High School

**RE:** High School Placement Test  
Saturday, January 12, 2008

On Saturday, January 12, 2008, Archbishop Rummel will administer a Placement Test for students wishing to enter the eighth and ninth grades for the 2008-09 school year. Please know that the Placement Test is NOT mandatory for current eighth graders at Archbishop Rummel, but current eighth graders who would like to test in order to earn academic scholarships must take the test.

Students who traditionally score in the high 80s or 90s on standardized tests would be wise to take the test. Students who score in the 90s on the Saturday, January 12<sup>th</sup> test could earn academic scholarships for the next four years so long as their eighth grade records reflect superior work. *Testing of current Rummel eighth grades for academic scholarships is strictly voluntary.*

**IMPORTANT:**

If a current Rummel eighth grader earned an academic scholarship when he tested last year, he cannot change his scholarship amount if he tests again this year.

If a current Rummel eighth grader did NOT earn an academic scholarship when he tested last year, he could earn a scholarship this year if he tests in the 90<sup>th</sup> percentile on the test.

Therefore, current Rummel eighth graders who would like to take the Placement Test for scholarship consideration should obtain the ARHS Application Form from the Junior High secretary, Ms. Pam Davis, and return it to her by Friday, January 11, 2008. They would then report to the gymnasium on Saturday before 8 AM with two #2 pencils and the \$20 test fee. Envelopes will be attached to the application form.

Questions? Please email the Admissions Office at [jserio@rummelraiders.com](mailto:jserio@rummelraiders.com) or call at 504-834-5592, Ext. 226.
