

Again this year, Archbishop Rummel High School and the Parent-Boosters club will host five special luncheons on campus for all grandparents and their grandsons. There is no charge for the lunch, as the Parent-Boosters club is covering all costs of the luncheon.

This special mass for grandparents will be held exclusively for **eleventh graders**. **The date is Tuesday, April 25 in the Raider Room**. Our chaplain, Fr. Kurt Young, '05, will begin the morning with a special mass in the Raider Room and then lunch will be served in the same location. The mass will be for the grandparents and their grandsons. Students do not wear ties at this mass/lunch.

How do I sign up for the mass and lunch?

Again this year no tickets will be distributed, but the students must sign up at the table across from the Raider Pride Bookstore during the student's lunch period. He must give the number of grandparents attending, plus himself, in the final number. The student must sign up on

Tuesday, April 18 or Thursday, April 20

during his lunch period. *Please sign up on these two dates, as food must be ordered from the caterer. The caterer cannot accommodate last minute reservations.*

What's the time schedule?

Grandparents should report to the Raider Room at 11 AM. When grandsons report to the Raider Room, the mass will begin at 11:40 AM (after they check-in with their academic period instructor). Following mass, a catered lunch will be served to all grandparents and grandsons. Seating in the Raider Room will be limited to grandparents and their grandsons. The lunch will end at 12:45 PM when grandsons will report back to their classes.
