

# Financial Aid Application INSTRUCTIONS

## 2021-2022 School Year

### *Frequently Asked Questions*

#### **Are there any income limits when applying for aid?**

There are no income limits when applying for assistance. Each family's unique financial situation is considered when assessing need.

#### **Who decides how much financial aid a family receives?**

It is the responsibility of each school to decide how to best meet the needs of its students and families.

#### **When will I be notified if my student has been awarded assistance?**

You will be notified by the school or financial aid program to which you applied. You will not receive results from FAIR.

#### **Why am I mailing my application to FAIR?**

Your school has contracted with FAIR to process the financial aid applications and provide an objective evaluation of each family's financial need. FAIR is a nationally recognized leader in financial need evaluation services for private and parochial schools.

#### **Is my personal financial information shared with any organizations other than FAIR?**

All information is held strictly confidential. FAIR will not share or disseminate this information in any way with any other organization except for your student's school.

#### **How do I apply?**

Application forms, instructions, and mailing envelopes may be obtained from the school where your student(s) attends or will attend. Mail the completed application and any necessary documentation along with a \$30 check made payable to FAIR in the envelope provided by the due date on the front of the application.

If you would like to submit your application on-line, you will need the following:

1. Your School Code and School Password (provided by your school administrator)
2. A valid email address
3. A credit card (Visa or Mastercard) to complete payment processing
4. A copy of your 2020 US Individual Income Tax Return Form 1040 with all applicable schedules including copies of all 2020 W-2 forms.

To begin the on-line application process, parents should go to [www.fairapp.com](http://www.fairapp.com) and click on the "Parent Login" link. You can then create a user account using your email address and a password that you select. Once you have created a user account and signed in you will be able to complete the FAIR application on-line.

#### **How will I know if FAIR has received my application?**

If you submit your application via mail you will receive a postcard from FAIR confirming receipt of your application.

If you submit your application on-line at [www.fairapp.com](http://www.fairapp.com) you will receive a confirmation page and a separate email confirming FAIR has received your application.

#### **How do I fill out the application if I am a divorced, separated or single parent?**

Please check with your school regarding their financial aid policy for divorced or separated parents. Typically, if the dependents you list in Part II of the application will live primarily with you, then you should complete the application form based on your income and household expenses.

If you have remarried you will need to complete the application and include information about the stepparent's income, expenses, assets, and debt.

#### **Who should I list in Part II Dependents?**

You should include all dependents currently living with you or for whom you are providing support. This includes older children attending college or any other relatives who are currently living with you to whom you are providing support.

#### **I do not have my 2020 Federal Income Tax return available because I have filed for an extension. Will my application still be accepted?**

FAIR asks that each family applying for assistance provide their 2020 Federal Income Tax return unless you have filed for an extension. If you have filed for an extension we will need you to provide us with a copy of the extension request, a copy of your 2019 Federal Income Tax return, and copies of your 2020 W-2s.

## **Important Notes Before Completing and Submitting Your Financial Aid Application:**

1. When submitting your application, please place your check and documentation inside the application. Stapling checks or documentation to the application can cause them to tear when being separated.
2. You will receive a postcard from FAIR confirming receipt of your application. You do not need to respond to this communication. If we have any questions or require additional documentation, we will contact you in writing.
3. Please complete **ALL** items that apply to your family. **If an item does not apply to you, leave it blank.**
4. In the dependent section of the application, please indicate the school(s) and grade(s) that your dependent(s) will be entering **in the Fall of 2021 (next school year).**
5. There is space provided in **Part VIII: Special Circumstances** for you to list and explain any other expenses and/or special circumstances that you believe would impact your eligibility for financial aid. Please use this space to explain anything unique to your financial situation.
