Let us remember that we are in the Holy Presence of God

Today's saint grew up in an important family in 16th-century Spain, serving in the imperial court and quickly advancing in his career. But a series of events—including the death of his beloved wife—made Francis Borgia rethink his priorities. He gave up public life, gave away his possessions, and joined the new and little-known Society of Jesus.

Religious life proved to be the right choice. Francis felt drawn to spend time in seclusion and prayer, but his administrative talents also made him a natural for other tasks. He helped in the establishment of what is now the Gregorian University in Rome. Not long after his ordination, he served as political and spiritual adviser to the emperor. In Spain, he founded a dozen colleges.

At 55, Francis was elected head of the Jesuits. He focused on the growth of the Society of Jesus, the spiritual preparation of its new members, and spreading the faith in many parts of Europe. He was responsible for the founding of Jesuit missions in Florida, Mexico, and Peru.

Francis Borgia is often regarded as the second founder of the Jesuits.

O Jesus, through the Immaculate Heart of Mary, I offer You my prayers, works, joys, and sufferings of this day for all the intentions of Your Sacred Heart, in union with the Holy Sacrifice of the Mass throughout the world, in reparation for my sins, for the intentions of our bishops, and in particular for the intentions of the Holy Father.

Amen.

Thank God Almighty...I'm a Raider
