Let us remember that we are in the Holy Presence of God

Isidore has become the patron of farmers and rural communities. In particular, he is the patron of Madrid, Spain, and of the United States National Rural Life Conference.

Isidore had deep religious instincts. He rose early in the morning to go to church and spent many a holiday devoutly visiting the churches of Madrid and surrounding areas. All day long, as he walked behind the plow, he communed with God. His devotion, one might say, became a problem, for his fellow workers sometimes complained that he often showed up late because of lingering in church too long.

He was known for his love of the poor, and there are accounts of Isidore’s supplying them miraculously with food. He had a great concern for the proper treatment of animals.

O Jesus, through the Immaculate Heart of Mary, I offer You my prayers, works, joys, and sufferings of this day for all the intentions of Your Sacred Heart, in union with the Holy Sacrifice of the Mass throughout the world, in reparation for my sins, for the intentions of our bishops, and in particular for the intentions of the Holy Father.

Amen.

Saint John Baptist de La Salle....Pray for us

Live Jesus in our hearts...Forever

Thank God Almighty...I’m a Raider

In the name of the Father and of the Son and of the Holy Spirit Amen

Please face the flag for the Pledge of Allegiance
