**THE SCHOOL**

Founded in 1962, Archbishop Rummel High School is an Archdiocesan Catholic High School for young men. The Archbishop Rummel community educates young men of varied backgrounds and abilities while striving to develop the intellectual, physical, social, moral and spiritual well-being of each student. On keeping with the LaSallian tradition, it is the philosophy of Archbishop Rummel High School to educate the whole person.

Through their college preparatory academic program, Archbishop Rummel High School attempts to meet the academic needs of each student by identifying differences and providing personalized educational plans to ensure success. Course content, discipline and procedures to accomplish this goal are determined through various committees and departments in cooperation with the administration.

**MISSION STATEMENT**

Archbishop Rummel High School educates each student according to the principles of the Catholic Church in the Lasallian tradition of faith, community, and service. In a caring, disciplined environment of social awareness and academic excellence, Archbishop Rummel High School challenges each student to recognize the dignity of life and to develop and share, to the best of his ability, his unique talents.
