

# Creating the ParentsWeb Account

**FACTS Management** gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success – all via the Internet!

**ParentsWeb** from **FACTS** is a private and secure parents' portal that will allow parents to view academic information specific to their children and add funds to your child's lunch account, while protecting their children's information from others. You may view your child's grades, attendance, homework and conduct, as well as other useful school information. You can also communicate with teachers and other school staff online whenever necessary. All you need is an Internet-capable computer.

Here's how to access our easy-to-use **ParentsWeb**:
