**2024-2025**  
**Second Semester Spring Class**

**General Information**

- The driver education course is only offered to students enrolled at Archbishop Rummel High School.
- The student must be 15 years of age or older in order to take the driver education course here at Archbishop Rummel High School. When a student finishes the driver education program, he will qualify for a learner's permit through the DMV.
- The cost of the driver education class is \$475.00. This cost covers the classroom portion and the driving portion of the class. This cost DOES NOT COVER any fees charged by the DMV. In addition, this cost DOES NOT COVER the test needed to obtain an official driver's license. As mentioned above, completion of this course qualifies a student for a learner's permit. Obtaining a driver's license involves a separate procedure. Information on how to convert a learner's permit to a driver's license will be discussed within the course.
- The class will be limited to 25 students.
- The classroom phase consists of 30 hours of instruction based on the calendar found within this packet. There are NO MAKEUP sessions. If a student cannot commit to the full thirty (30) hours, then he should take a future driver education course.
- Students are to bring pen, pencil, and paper to each classroom session. In addition, the students MUST bring his Temporary Instructional Permit (TIP) card to each class. More information regarding the TIP can be found below.
- On the last day of class, students will take a final exam. Students must earn an 80% on this test to pass the classroom portion of driver education.
- Once a student has passed the classroom portion of driver education, he will be able to schedule eight (8) hours of street driving with our driver education instructor.
- Successful completion of both the classroom portion and the street driving portion qualifies the student for a learner's permit.
