

## **Archbishop Rummel High School Drivers Education Program**

This year, the Department of Motor Vehicles has implemented a change to the drivers education process. Please follow the steps below.

1. Go to the Rummel website or to the receptionist to pick up a drivers education registration packet.
2. Complete the registration forms and bring payment back to Rummel.
3. The school will give the student a **proof of enrollment form**. If the student is not a student at Archbishop Rummel High School, then he or she must obtain the proof of enrollment form from the current school.
4. The student and the student's custodial parent must go to the DMV with the student enrollment form along with the student's birth certificate, social security card, and proof of residency (ex. electric bill or water bill). The DMV will give the student a Temporary Instructional Permit (TIP). **The DMV will charge the student \$32.25 for the TIP. Please note that this a separate charge from the drivers education fee.**
5. The TIP **must** be brought to Rummel for all drivers education classes and for all driving sessions.

Once the entire drivers education program is completed at Rummel, the student will go back to the DMV to have the TIP converted to an official learner's permit. There is no additional cost to convert from a TIP to a learner's permit.
