

Dear Parents/Guardians:

In June, each incoming 8th grade student is invited to participate in Archbishop Rummel High School's Summer Enrichment Program. This program is designed to give students an introduction to some of the courses, teachers, and fellow Raiders we have here at school. There are also different activities in which the incoming students may participate each day, such as football, soccer, and art, as well as a field trip to Laser Tag of Metairie. As a conclusion to the program each year, the students receive an etiquette lesson followed by a sit-down lunch at a fine-dining establishment in the city. The Summer Enrichment Program is the perfect opportunity for your son/guardianship to familiarize himself with both the school and his new classmates.

Included in this mailing is more information regarding the dates and the cost of the program. Please know that Summer Enrichment is ***not*** mandatory for your son/guardianship as part of his enrollment at Archbishop Rummel, but we would love to have him be a part of this program. Should you have any questions, please feel free to contact me.

Sincerely,  
Mrs. Mallory N. Leggett  
Director of Enrichment
