

OUR MISSION

Archbishop Rummel High School educates each student according to the principles of the Catholic Church in the Lasallian tradition of faith, community, and service. In a caring, disciplined environment of social awareness and academic excellence, Archbishop Rummel High School challenges each student to recognize the dignity of life and to develop and share, to the best of his ability, his unique talents.

THE BLUEPRINT FOR YOUR FUTURE

The decision on where to spend your high school years is a critical one. The place you choose will be your home for the next four or five years. It is here, at 1901 Severn Avenue, where you will discover the blueprint for your future as you become the man God has created you to be.

Our charism of faith, community, service, and excellence guides all that we do in and outside of the classroom. We encourage our young men to discover the plan that God has for their lives and to sharpen the skills necessary to see that plan out and to become the men God has created them to be. With our unique curriculum offerings, Archbishop Rummel High School helps our students to stay ahead of the curve in an ever changing world.

For over sixty-five years, we have educated young men in grades eight through twelve in the Catholic faith, and have established a strong record of alumni who are engaged in every respectable profession imaginable. By following the game plan, in and out of the classroom, our graduates are prepared for whatever life throws at them. We could not be more proud of the men who have taken what they have learned from these hallways

and transformed their industries and the world as a result. This is the tradition that you enter into by choosing to become a Raider.

There are many options for high school in the greater New Orleans area. But there is only one Archbishop Rummel High School. Located in the heart of Metairie, our campus of more than twenty acres provides ample space for our young men to pursue whatever they desire. With full sized football, soccer, and baseball fields, an all weather turf field, an indoor baseball facility, robotics and engineering labs, a gymnasium, band building, and wrestling complex, we are able to accommodate multiple sports and activities all at once, all on our campus. Whatever your interests, whatever your skills, after your time at Archbishop Rummel High School you will be built for success and ready to tackle whatever comes next.

MATTHEW CAIRE '03
HEAD OF SCHOOL

LIVE JESUS IN OUR HEARTS...FOREVER

Every Lasallian class begins with the same words: "Let us remember that we are in the holy presence of God." From weekly Mass in the Raider Gym to a retreat for every grade, Campus Ministry nights the students plan themselves, and 130 hours of service before graduation, faith is a part of every day at Archbishop Rummel High School.

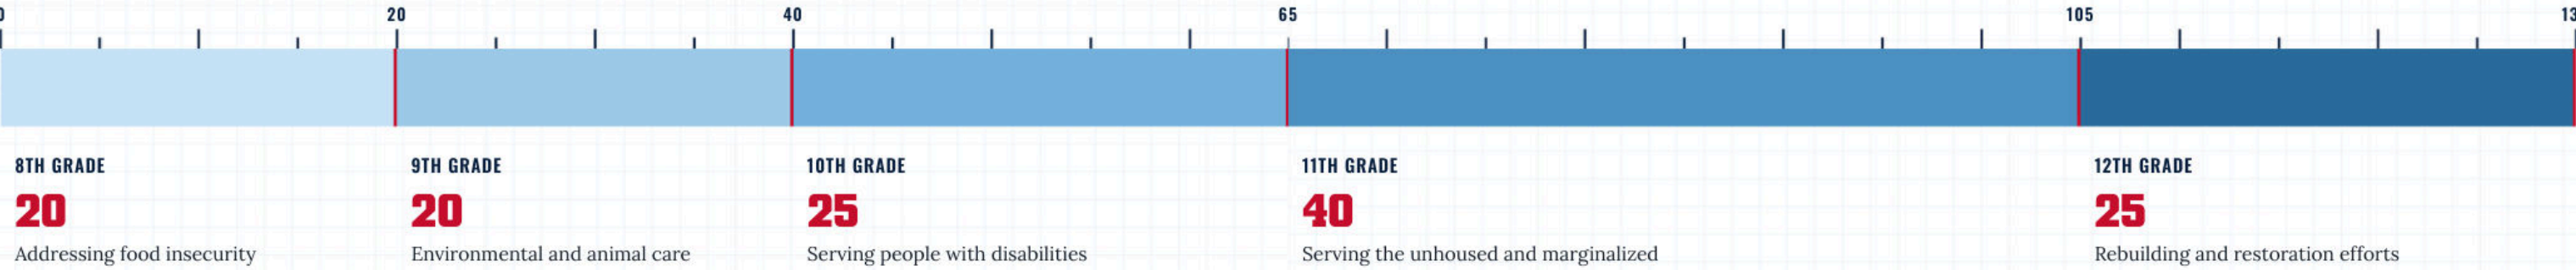

THE ROSARY AND PRAYER GARDEN
IN MEMORY OF BR. JOHN FAIRFAX, FSC

“Archbishop Rummel High School is the faith-first school of the Greater New Orleans area: the only high school with a weekly all-school Mass, mission trips centered on evangelization, a priestly discernment group with more than 15 upperclassmen participating, and students entering the Catholic Church each year.

FR. ANDREW GUTIERREZ '11
CHAPLAIN

SERVICE HOURS BY GRADE LEVEL

FAITH IN ACTION

Rooted in the Lasallian tradition, faith is woven into daily life at Archbishop Rummel High School through Mass, retreats, student led ministry, and service, forming students grounded in the holy presence of God from 8th grade through graduation.

A RETREAT FOR EVERY GRADE

FAITH LIFE ON CAMPUS AND BEYOND

- ◇ Weekly Mass in the Raider Gym
- ◇ Chapel of St. Joseph
- ◇ Monthly Ministry Nights
- ◇ Br. John Fairfax Prayer Garden
- ◇ Living Stations of the Cross
- ◇ Senior Ring Mass
- ◇ March for Life, Washington DC
- ◇ Belize Mission Trips

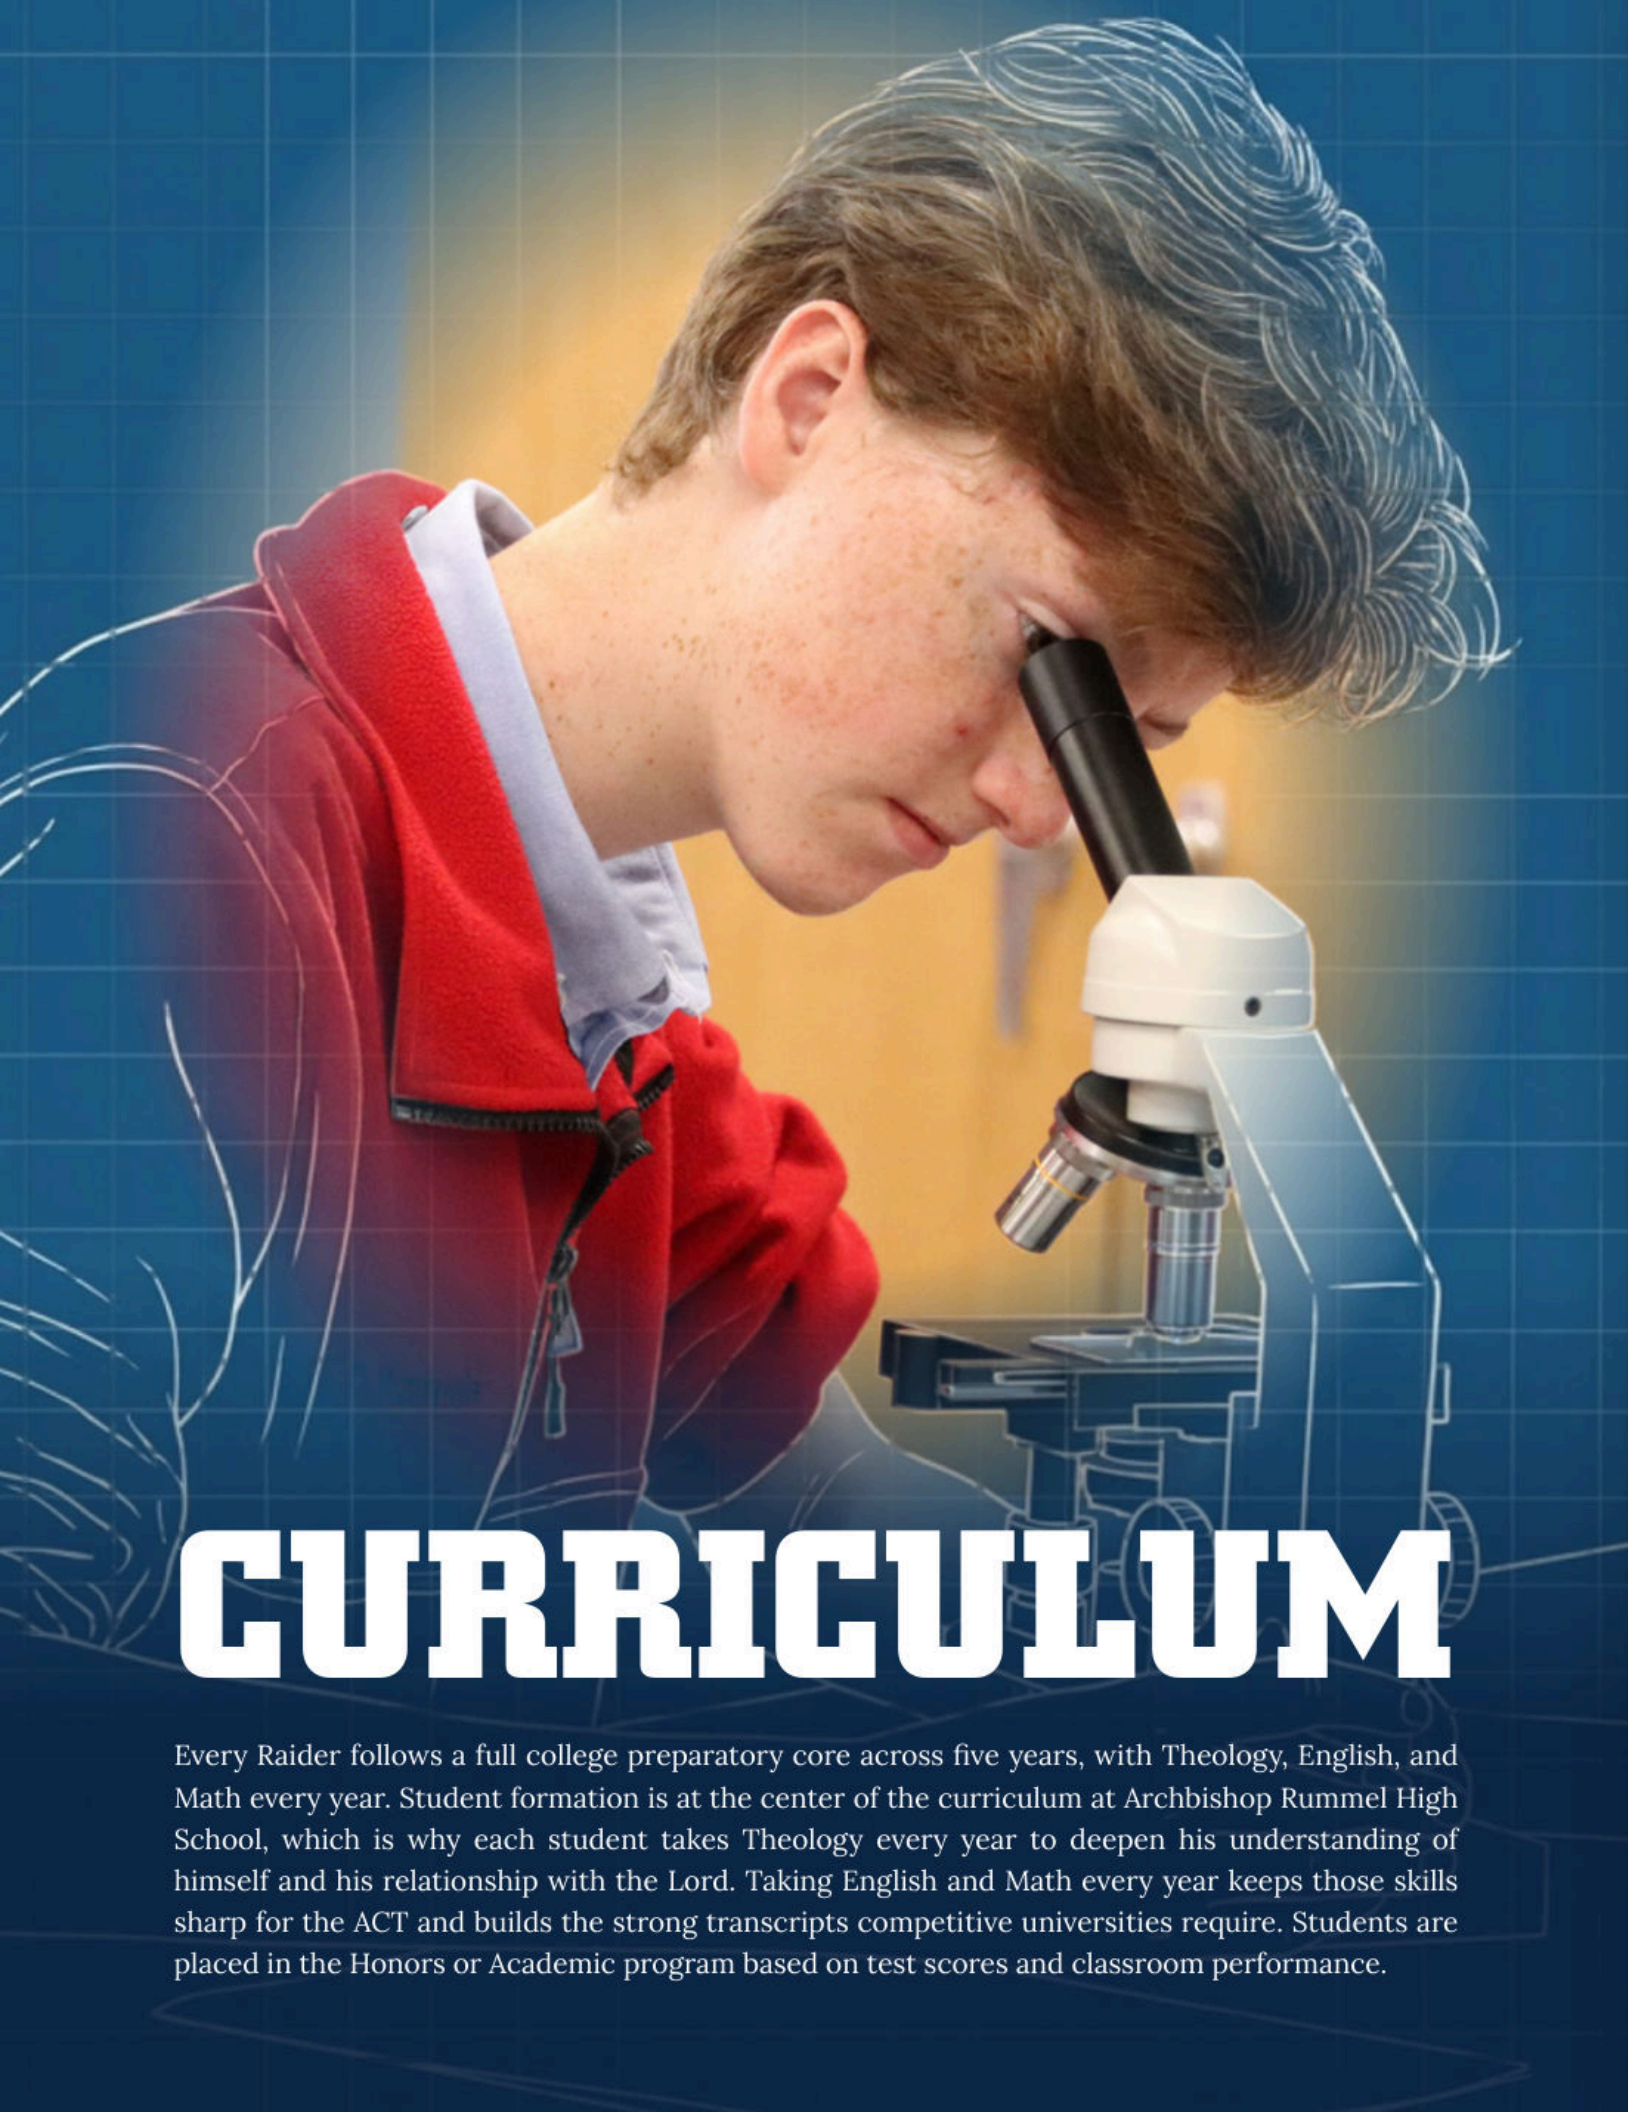

THE BELIZE MISSION

Each year our Raiders partner with students from Archbishop Chapelle High School to travel to Belize, spreading the Gospel through hands-on service, school retreats, and visits to the sick. It is a powerful way our students live out the Lasallian virtues of faith, community, service, and excellence by encountering Christ's love beyond our borders.

THE MARCH FOR LIFE

Each January, Raiders travel to Washington, DC with the Archdiocese of New Orleans to march as a prayerful and public witness to the dignity of every human life, alongside schools from around the country.

CURRICULUM

Every Raider follows a full college preparatory core across five years, with Theology, English, and Math every year. Student formation is at the center of the curriculum at Archbishop Rummel High School, which is why each student takes Theology every year to deepen his understanding of himself and his relationship with the Lord. Taking English and Math every year keeps those skills sharp for the ACT and builds the strong transcripts competitive universities require. Students are placed in the Honors or Academic program based on test scores and classroom performance.

HONORS				
8TH	9TH	10TH	11TH	12TH
Theology 8	Theology I	Theology II	Theology III	Theology IV
Algebra I H	Geometry H	Algebra II H	Precalculus H, Dual Enrollment	Calculus AP or H

**At least one computer elective is required for graduation.*

AHEAD OF THE CURVE

Archbishop Rummel High School prepares students for college and for the careers taking shape right now, with electives built around real work along with LSU dual enrollment courses that earn college credit before graduation.

ELECTIVE COURSES

Accounting
Art I, II, III, and AP
Band, Beginning and Advanced
Biomedical Sciences I and II
Cybersecurity AP
Engineering I and II
Philosophy
Photography I and II
Psychology
Public Speaking
Robotics
Sports Medicine
Statistics AP
TV Production I and II

FEATURED ELECTIVES

CYBERSECURITY AP

How cyber threats emerge, how weaknesses are exploited, and how layered defenses stop them, with special attention to threats created by AI and to using AI to fight back.

SPORTS MEDICINE I

Anatomy, injury prevention, taping and wrapping, first aid, CPR and AED awareness, and assessing sprains, strains, fractures, and concussions. The first course in the Sports Medicine program.

ACCOUNTING

Double entry accounting, financial statements, budgeting, bank reconciliation, and business ethics, applied to real business situations.

PUBLIC SPEAKING I

Speech preparation and delivery, persuasion, and confidence in front of a room. Students compete in Speech and Debate competitions across the state.

TV PRODUCTION I AND II

Students produce, edit, and distribute video, and they run the Rummel Streaming Network. A true TV production class for future creators.

PHILOSOPHY

Discussion and debate, clear and concise writing, and reasoning outward from first truths, both strategic and abstract.

NETWORKING AP NEW IN 2027-2028

Students configure, secure, and troubleshoot the networks that carry streaming, communication, and workplace collaboration.

564

COLLEGE CREDIT HOURS RAIDERS
EARNED IN 2024-25

DUAL ENROLLMENT WITH LSU

A dual enrollment class earns high school and college credit at the same time. Through our partnership with LSU, students can earn 30 hours of college credit that counts toward their college GPA and opens their college schedules for more career courses.

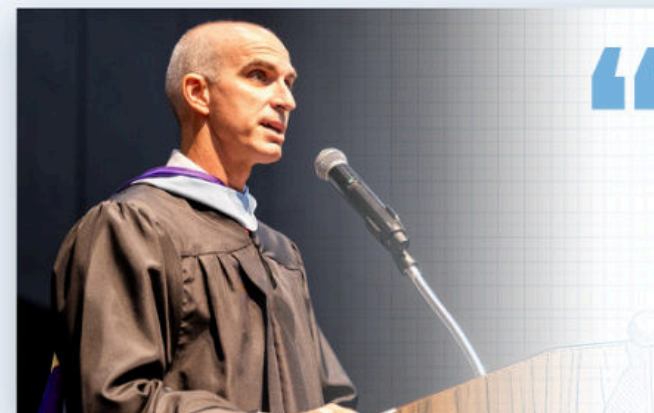

- ◆ Business Calculus
- ◆ College Algebra
- ◆ Composition I
- ◆ Composition II
- ◆ Differential Calculus
- ◆ General Chemistry I
- ◆ General Chemistry II
- ◆ Integral Calculus
- ◆ Introduction to Fiction
- ◆ Introduction to Poetry
- ◆ Trigonometry

ADVANCED PLACEMENT

AP classes are open to sophomores, juniors, and seniors, with placement by test scores, academic record, and teacher recommendation. Strong scores on the AP exams can earn college credit or placement into advanced courses depending on each college's policy.

- ◆ Calculus AB
- ◆ Calculus BC
- ◆ Computer Science A
- ◆ Cybersecurity
- ◆ English Language and Composition
- ◆ English Literature
- ◆ Statistics
- ◆ Studio Art: Drawing
- ◆ U.S. Government and Politics
- ◆ U.S. History

Coming in 2027-28: Networking AP

“

Before we offer a new course here at Archbishop Rummel High School, we ask ourselves three questions: will the course help the student become the man God created him to be, will the course engage and challenge students in unique ways, and will the course help students select a possible career path. These courses not only interest our students, but they also allow students to participate in hands-on, real-world experiences.

DOUG NEILL '98
ASSOCIATE HEAD OF SCHOOL FOR ACADEMICS

THE ARTS

An arts education is irreplaceable. In the studio, on the stage and in the band room, students learn to look closely, imagine what is not there yet, take creative risks, revise their work and present it with confidence, habits that carry into every classroom and every career. At Archbishop Rummel High School, fine arts runs from studio art through AP to band at both beginning and advanced levels, photography, TV production and public speaking, and carries on past the bell with the Raider Band, the Genesian Players and the Rummel Streaming Network.

COURSES

Art I, II, III and AP
Band, Beginning and Advanced
Fine Arts Survey
Photography I and II
Public Speaking
TV Production I and II

RAIDER BAND

Marching, symphonic, jazz and percussion, shared with Archbishop Chapelle High School and the Chapellette Dance Team. On the LMEA circuit, at every football game and on the Carnival parade routes.

GENESIAN PLAYERS

A Rummel tradition of excellence since 1962. Rummel's student theater company, now in its 64th season, takes the main stage twice a year.

RUMMEL STREAMING NETWORK

Students in TV Production run the cameras and the anchor desk, streaming Rummel events live and producing a monthly newscast.

SCHOLARSHIP FOR THE ARTS

\$2,000 each, ten awarded by audition, for new students in the Raider Band or the Genesian Players.

PRE-PROFESSIONAL

For jobs in the 21st century, students are expected to read critically, work collaboratively, think creatively, solve complex problems, and manage information using digital technology and other communication tools. Through the pre-professional programs at Archbishop Rummel High School, students will learn both in the classroom and inside real world environments such as medical centers and engineering offices. Through community and alumni partnerships, students will learn from some of the area's top professionals in these industries.

01

BIOMEDICAL SCIENCES

Principles of the Biomedical Sciences and Human Body Systems introduce the study of human health and physiology, with instruction from practicing clinicians and experience inside area medical centers.

02

ENGINEERING

Introduction to Engineering, Civil Engineering, and Robotics develop design thinking and technical problem solving, from classroom design and fabrication to site visits with working engineers.

03

MEDIA ARTS

Photography, TV Production, and Media Arts build technical skill and visual literacy as students plan, produce, and edit original work for a live audience on the Rummel Streaming Network.

04

SPORTS MEDICINE

Grounded in anatomy and injury prevention, the program covers first aid, CPR and AED response, taping, and the assessment of athletic injuries, taught alongside the professionals who treat them.

B.02

BIG BROTHERS

Big Brothers provides upperclassmen with opportunities to develop leadership, mentorship, and communication skills while making a lasting impact on younger students. Members serve as mentors to the eighth grade class, encouraging them to get involved on campus and helping them adjust to life at Archbishop Rummel High School. Membership is open only to juniors and seniors and is by application only.

E.04

PING PONG CLUB

Ping Pong Club provides students with opportunities to build friendships, sharpen their hand eye coordination, and enjoy some friendly competition. Members play casual games of table tennis in a relaxed, social setting. The club meets after school in the sophomore wing on Fridays during August, September, and October and is open to all students.

A.08

RAIDER ROBOTICS TEAM

The Robotics Team provides students with opportunities to develop engineering, programming, problem solving, and teamwork skills. Students design and build robots both for fun and for competition while learning to bring their ideas from concept to working machine. Students who want to go deeper can also take Rummel's Robotics elective, which builds on the same design and engineering skills in the classroom. The team is open to all students willing to learn robotics design.

D.05

RAIDERS' DIGEST

Founded in 1962, Raiders' Digest is Rummel's school newspaper and provides students with opportunities to develop writing, reporting, interviewing, and photography skills. Students research and cover stories, capture campus life through photos, and work together to produce a publication for the Rummel community. In the 2026-27 school year, Raiders' Digest will publish ten issues. The club is open to all students interested in writing, reporting, or photography.

D.06

RUMMEL STREAMING NETWORK

Rummel Streaming Network provides students with opportunities to develop broadcasting, camera operation, live production, and on air communication skills. Students work both behind the camera and in front of it to produce live streams of Rummel events and a monthly newscast covering life on campus. Together, these broadcasts give families, alumni, and fans a way to follow the Raiders from anywhere. Rummel Streaming Network is made up of students in the TV Production elective, who put their classroom skills to work on real broadcasts.

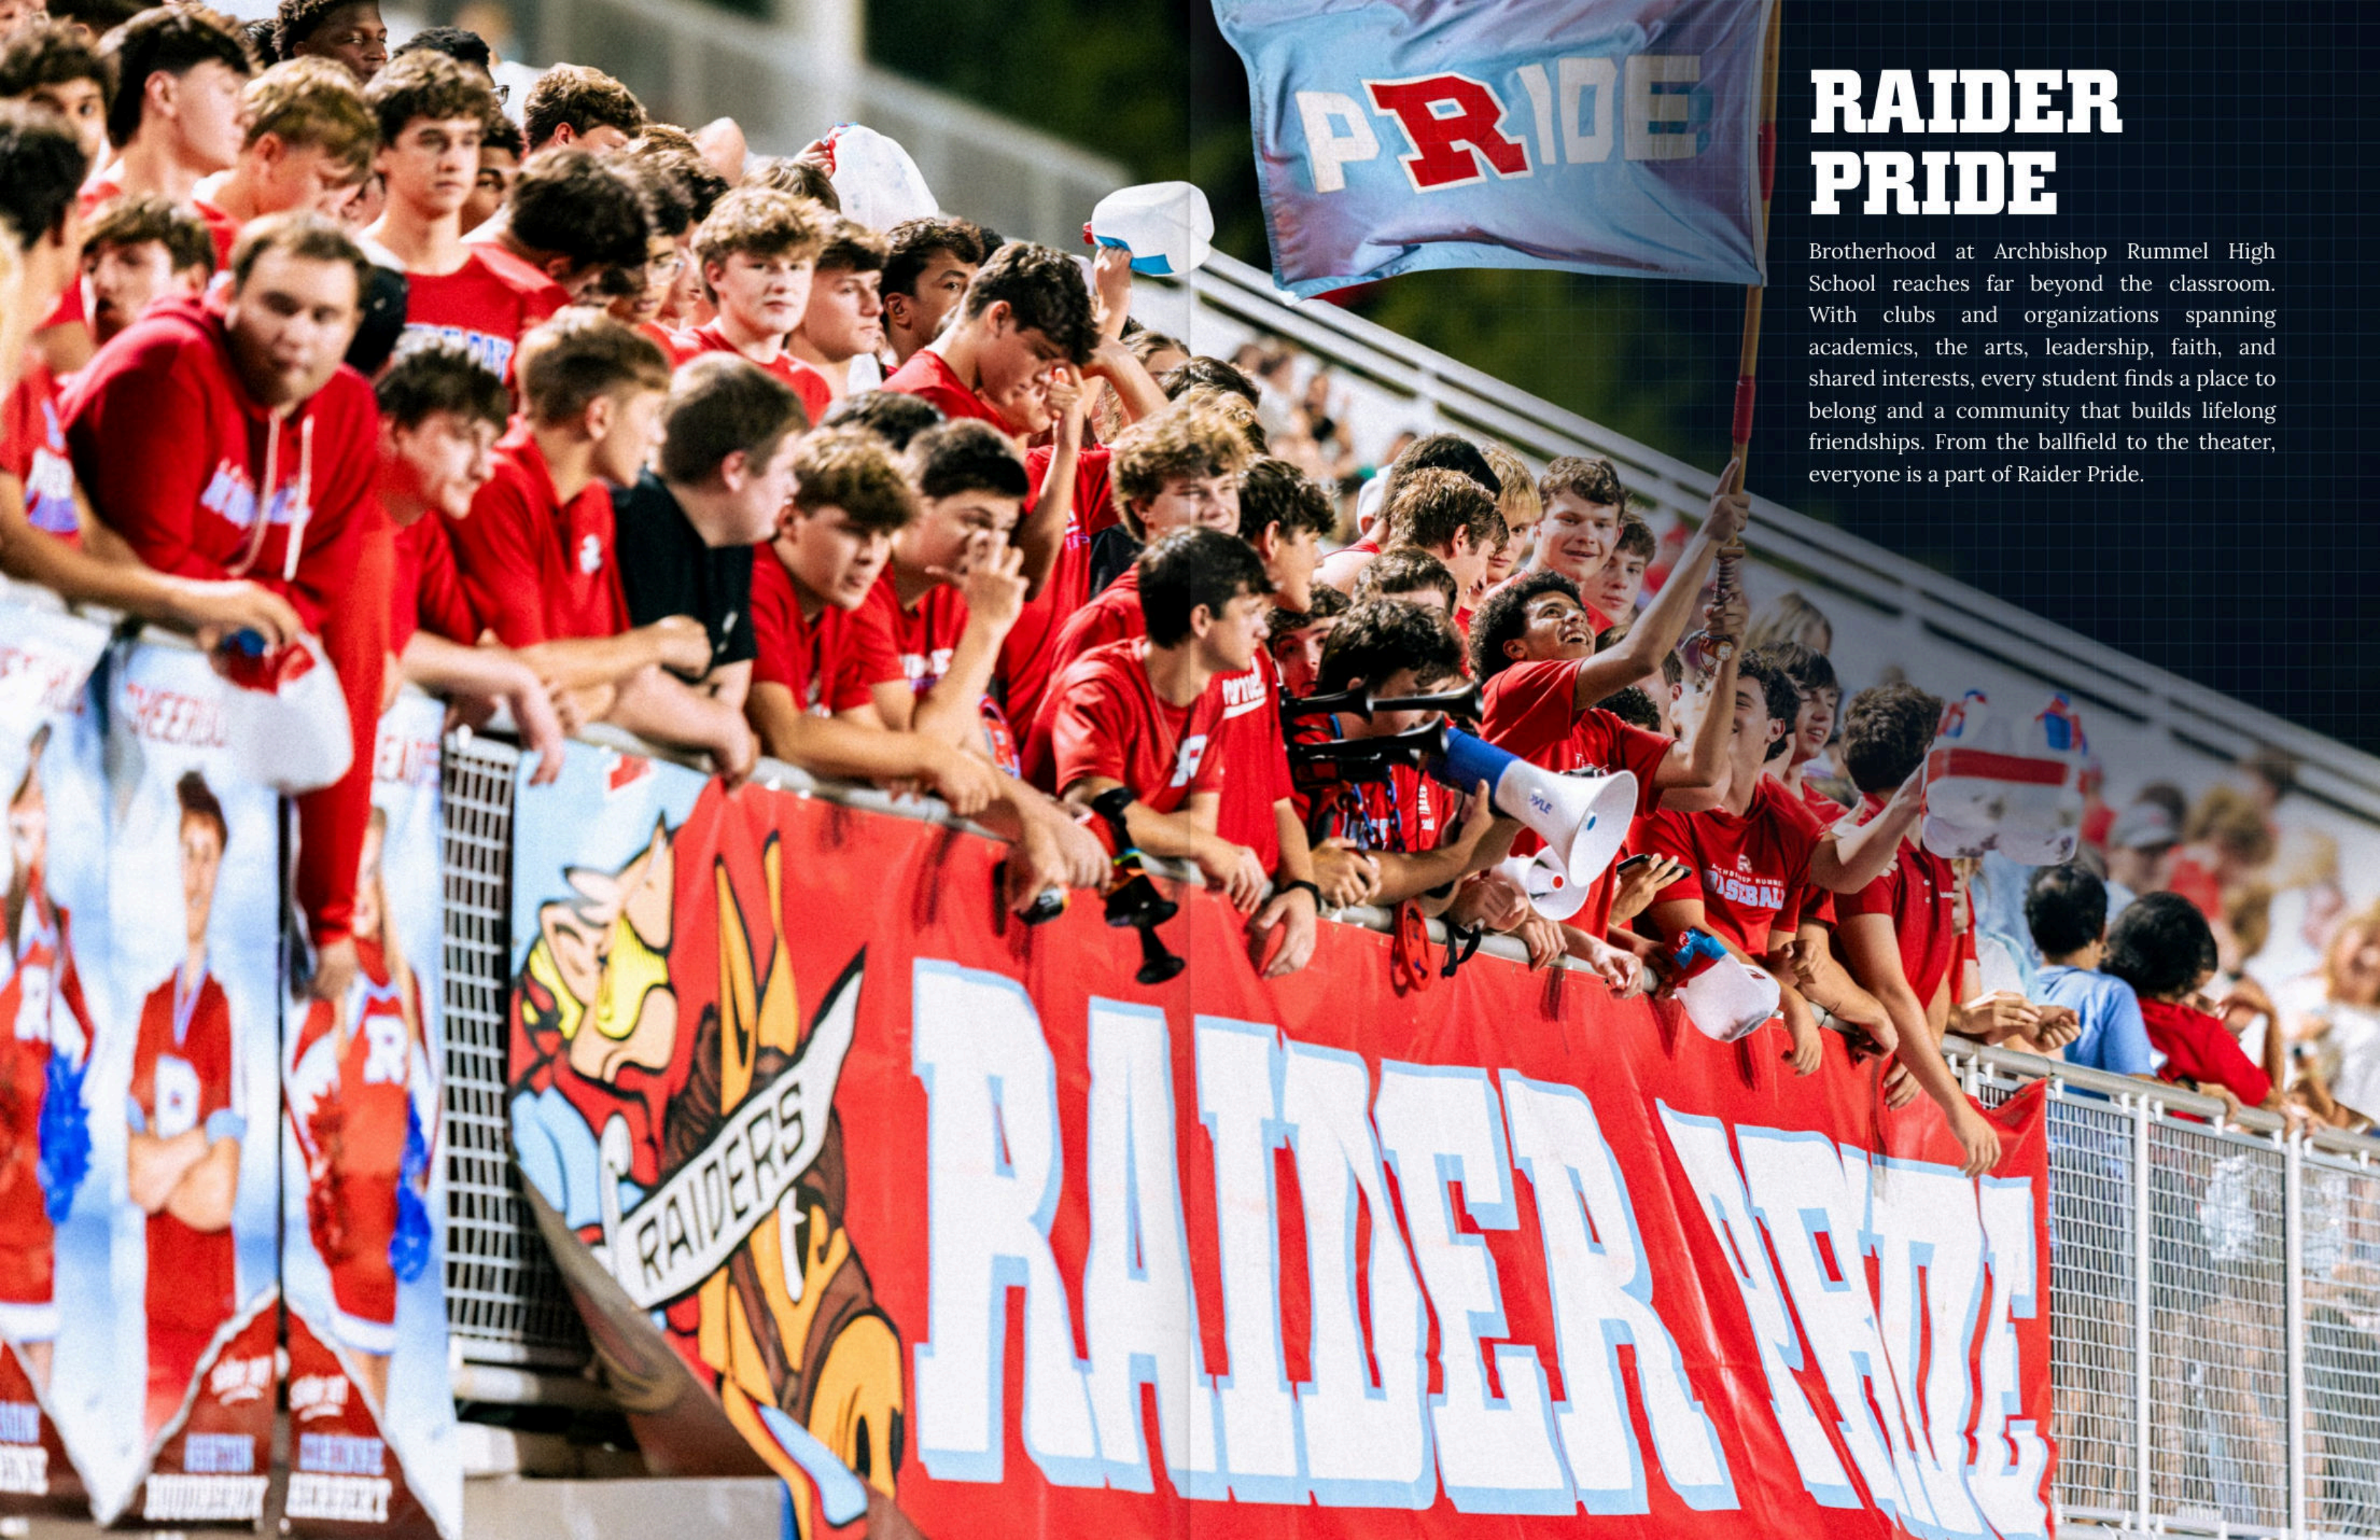

A.07

SPEECH & DEBATE

Speech and Debate provides students with opportunities to develop public speaking, argumentation, critical thinking, research, and communication skills. Students participate in debates, speeches, and other competitive events while learning to construct persuasive arguments, respond thoughtfully to opposing viewpoints, and present ideas confidently. It meets throughout the year with opportunities to compete on weekends in the fall and spring. The club is open to all students, with eighth graders competing in Junior Varsity events and ninth through twelfth graders participating in Varsity events.

UNIQUELY RUMMEL

RAIDER PRIDE

Brotherhood at Archbishop Rummel High School reaches far beyond the classroom. With clubs and organizations spanning academics, the arts, leadership, faith, and shared interests, every student finds a place to belong and a community that builds lifelong friendships. From the ballfield to the theater, everyone is a part of Raider Pride.
